Section IV: Definitions

Felony disqualifications:

- (1) **Even if expunged**, any person felony conviction, *no matter when the conviction occurred*, where the convicted person was found to have been in possession of a firearm at the time of the offense;
 - (2) **Even if expunged**, any felony conviction that occurred within 5 years of application;
 - (3) **Even if expunged**, any nonperson (or similar) felony conviction that occurred within 10 years of application if the person was found to have possessed a firearm at the time of the offense;
 - (4) **Unless expunged or pardoned**, any person felony conviction, where the convicted person was not found to have possessed a firearm at the time of the offense, listed under KSA 21-4204(a)(4)(A) that occurred within 10 years of application.
- NOTES: *The 5 and 10 year prohibitions listed above will be determined from the individual's prison release date (not date of conviction) if they were sentenced to prison. All prohibitions are applicable to juvenile adjudications for the same offenses.*
- (5) Any person *still subject* to the terms of a diversion agreement for a felony violation.

"Misdemeanor crime of domestic violence" means: (1) a misdemeanor under, Federal, State or Tribal law; (2) that has as an element the use of force, attempted use of force or threatened use of a deadly weapon; (3) that was committed by: a current or former spouse, parent or guardian of the victim; a person with who has a child with the victim; a person who is living with or has lived with the victim as a spouse, parent or guardian; or a person who is similarly situated to a spouse, parent or guardian to the victim.

NOTE: The misdemeanor being violated DOES NOT have to have the term "domestic" in it at all (this means a simple assault, battery or disorderly conduct can be sufficient even if pled down from a "domestic" assault, battery, or disorderly conduct charge).

NOTE: In order for a conviction to be considered, the convicted must have been represented by legal counsel or waived such and, if they were entitled to a jury trial, said trial by jury must have occurred or been properly waived.

NOTE: Ordinarily, a conviction that has been expunged, set aside, pardoned or is one for which the person has had their civil rights restored – then that is no longer considered a conviction. HOWEVER, under Kansas law, an expungement does not completely remove the conviction from the person's record therefore an expungement or setting-aside of the conviction will not suffice to remove the federal prohibition under 18 USC 922(g)(9). Also, in Kansas, a person never loses their civil rights for such a misdemeanor conviction, therefore they cannot have those rights "restored." Therefore, only a pardon (at this point anyway) will restore an individual's ability to possess firearms if they have a qualifying 922(g)(9) conviction.

"Fugitive from justice" means: anyone who has fled a State in order to avoid prosecution or duties as a testimonial witness.

"Adjudicated as a mental defective" means: a finding by a court, board, commission or other lawful authority that a person, as a result of marked subnormal intelligence, or mental illness, incompetency, condition or disease: (a) Is a danger to himself or to others; or (b) Lacks the mental capacity to contract or manage his own affairs. The term shall include: a finding of insanity by a court in a criminal case; and those persons found incompetent to stand trial or found not guilty by reason of lack of mental responsibility pursuant to articles 50a and 72b of the Uniform Code of Military Justice, 10 U.S.C. 850a, 872b.

"Restraining order" means: a court order that restrains the person from: (a) harassing, stalking or threatening (i) an intimate partner or (ii) child of the intimate partner or the restrained person; or (b) engaging in conduct that places the intimate partner or child in reasonable fear of bodily injury. The order must be one issued after the restrained person received notice and had an opportunity to be heard and must include a finding that the restrained person poses a credible threat to the physical safety of the intimate partner or child; or the order must include a specific prohibition on the use, attempted use or threatened use of physical force against the intimate partner or child.

"Retired law enforcement officer" means: a "law enforcement officer," as defined by K.S.A. 21-3110, that was certified by the Kansas Commission on Police Officer Standards and Training (or similar body from another jurisdiction) not more than 8 years prior to submitting an application. A retired law enforcement officer must include a letter from the head, or designee, of the retiring agency attesting that the individual retired in good standing, retired for reasons other than mental instability, and that the individual has a non-forfeitable right to benefits under the retirement plan of the agency.

Additionally, a new resident with a unexpired and recognized non-resident concealed carry license moving to Kansas after July 1, 2010 is not required to complete the Kansas required handgun safety and training class. A copy of their unexpired non-resident concealed carry license must be attached to their application in lieu of the required Kansas training certificate.

"Dependent" of active duty military member (ADM) means: a resident of the household of an ADM who financially depends on the ADM in whole or substantial part. ADM and their eligible dependents residing in Kansas are not required to surrender their non-resident driver's license or state issued ID in order to acquire a Kansas concealed carry license.

Exceptions to Nonimmigrant Alien Prohibition: An "alien" is anyone not a citizen or "national of the U.S." A "national of the U.S." is someone who owes permanent allegiance to the U.S. A "nonimmigrant visa" is a visa properly issued to an alien as an eligible nonimmigrant by a competent officer. Nonimmigrant aliens may apply for a Kansas concealed carry handgun license if the alien has been a resident of Kansas for the 90 days immediately preceding application and: (1) is admitted to the U.S. for lawful hunting or sporting purposes and in possession of a hunting license/permit issued in the U.S.; (2) is an official representative of a foreign government who is accredited to the U.S. Government or their Government's mission to an international organization having its headquarters in the U.S.; (3) is an official of a foreign government or a U.S. Dept of State designated "distinguished foreign visitor"; (4) is foreign law enforcement of a friendly foreign government and here on official law enforcement duties; or (5) has received a firearms waiver from the Attorney General of the United States.
