IGNITION INTERLOCK EMPLOYER NOTIFICATION

96-0242 R03/08 www.azdot.gov

The employee may operate an employer's vehicle without an ignition interlock when all of the following are met:

- The employee's driving privilege has been reinstated with MVD.
- The employee has provided proof of a functioning ignition interlock on all other vehicles that he or she operates.
- The employee is required to drive a vehicle during the course of employment and as a condition of employment.
- The vehicle is solely owned by the employer (no part may be owned by the employee).
- The employee carries this Employer Notification at all times while operating the employer's vehicle.

I certify that all of the above requirements have been met.
